

# AOG 2026 — Exhibition Activation Brief

Australasian Oil & Gas Exhibition · Perth Convention & Exhibition Centre · 11-13 March 2026

## EXECUTIVE SUMMARY

This brief sets out Meridian Offshore's commercial and marketing plan for the 2026 Australasian Oil & Gas Exhibition (AOG). AOG is the highest-density audience of WA-based offshore operators, integrity managers, and tier-1 contractors that Meridian engages with all year. Our activation focuses on three outcomes: generating qualified new-business conversations with operators preparing 2026-27 IRM tender cycles, re-engaging existing framework clients through hosted breakfasts, and launching our refreshed subsea inspection capability statement to the broader market.

## SCOPE OF ACTIVATION

- ▶ 6m x 3m island booth in Hall 4 (target Stand 4-B22).
- ▶ Four-person attending team across commercial, subsea, and operations.
- ▶ Printed capability statement and four service-line one-pagers.
- ▶ Branded 90-second services loop video on booth screen.
- ▶ QR-linked digital brochure for mobile-first audiences.
- ▶ Three hosted breakfasts (15-20 invited guests each) at venue partner.
- ▶ CRM-integrated lead capture with badge-scan workflow.

## COMMERCIAL RATIONALE

Three of our five largest existing accounts hold framework agreements expiring within twelve months of the event. AOG offers a low-friction, in-person setting to re-introduce capability and lay the groundwork for the renewal tender cycle.

In parallel, two new-build offshore developments in the Carnarvon and Browse basins are entering the operator-selection phase for inspection scopes in late 2026 — AOG places us in the same room as the relevant integrity managers.

## SUCCESS MEASURES (POST-EVENT +90 DAYS)

|                         |                      |                   |                    |
|-------------------------|----------------------|-------------------|--------------------|
| 25                      | 200+                 | 3                 | 5                  |
| QUALIFIED CONVERSATIONS | COLLATERAL HAND-OUTS | HOSTED BREAKFASTS | TENDER INVITATIONS |

## INDICATIVE BUDGET & APPROVALS

Total indicative spend of **AUD 62,700 (ex GST)** across booth space and design, collateral, staff travel, hosted breakfasts, and a 10% contingency. Sign-off from Commercial Director and Head of Marketing is requested by T-12 weeks (mid-December 2025) so that booth design lock and collateral production can run to schedule.

### NEXT STEPS

**This week:** Internal review of this brief and accompanying activation plan deck. **T-12 weeks:** Brief approved, booth space confirmed with organiser. **T-10 weeks:** Booth design locked with selected build partner. **T-6 weeks:** Collateral handed to print. **T-3 weeks:** Client breakfast invitations dispatched. **T-1 week:** Booth dressed and team rehearsed on-site.
